

## Ohio Administrative Code

### Rule 173-3-06.14 Older Americans Act: disease prevention and health promotion service.

Effective: November 1, 2024

---

(A) Definitions for this rule:

- (1) "Disease prevention and health promotion service" has the same meaning as in 42 U.S.C. 3002.
- (2) "Evidence-based" means that a disease prevention and health promotion service complies with 42 U.S.C. 3030m and 45 C.F.R. 1321.89.
- (3) "Non-evidence-based" means that a disease prevention and health promotion service does not comply with 42 U.S.C. 3030m and 45 C.F.R. 1321.89.

(B) Requirements for every AAA-provider agreement (agreement) for a disease prevention and health promotion service paid, in whole or in part, with Older Americans Act funds:

- (1) The agreement is subject to rule 173-3-06 of the Administrative Code.
- (2) The agreement stipulates that Title III-D Older Americans Act funds may pay for only an evidence-based disease prevention and health promotion service.
- (3) The agreement stipulates that Title III-B and Title III-E Older Americans Act funds may pay for a non-evidence-based disease prevention and health promotion service.
- (4) The provider is responsible for maintaining any license, permission, or other agreement necessary to provide the type of service, brand of service, or copyrighted or proprietary materials described in the provider's bid for the service and in the AAA-provider agreement.
- (5) Service verification: The following is the mandatory reporting item for each episode of service that a provider retains to comply with the requirements under paragraph (B)(9) of rule 173-3-06 of the Administrative Code: service date.

(C) Units: A unit of a health promotion and disease prevention service is one session.
