Rule 173-45-05 Long-term care consumer guide: display of comparative information following the execution of a search query.

Effective: November 16, 2020

(A) Following a search query for long-term care providers, the guide shall present a list of all providers that meet the requirements specified in the search.

(B) For each provider listed, the guide shall present all comparative measures, electronic links to definitions and descriptions of the measures, and further detailed information about the measures, to the extent the information is available to ODA. For each provider, the guide shall include the following information:

(1) The aggregate responses made by a facility's residents/consumers or their family members to all measures of customer satisfaction.

(2) In the case of nursing facilities, the quality measures described in rule 173-45-07 of the Administrative Code or an electronic link to the CMS website where the guide's viewers may access the quality measures.

(3) The date of the facility's most recent ODH survey, if applicable.

(4) The survey data provided pursuant to rule 173-45-08 of the Administrative Code.

(5) An electronic link for each provider on the list allowing the public to gain access to information on the provider maintained in accordance with rule 173-45-06 of the Administrative Code.

(6) Other comparative measures derived from data specified in this chapter.
