

Ohio Administrative Code

Rule 173-45-07 Long-term care consumer guide: quality measures for nursing facilities.

Effective: November 16, 2020

For each nursing facility for which data is available, ODA shall include in the guide the nursing facility's scores on each quality measure, as calculated by CMS, and the statewide average score on each quality measure, as calculated by CMS; or, ODA shall present an electronic link where the guide's users may access the quality measures.
