

## Ohio Administrative Code

### Rule 173-60-02 Nursing home quality initiative: requirements for approval.

Effective: January 9, 2020

---

To receive ODA approval, a quality improvement project shall meet the following requirements:

(A) The project shall improve the quality of a nursing home.

(B) The project shall have elements that include a plan, action aimed at improving quality, evaluation of the action, and new action resulting from the evaluation.
