

Ohio Administrative Code

Rule 173-60-03 Nursing home quality initiative: approval and rescission processes for quality improvement projects.

Effective: January 9, 2020

(A) Approval:

(1) An entity that sponsors a quality improvement project may apply for ODA's approval of its project by completing the application found by following the "submit your proposal here" link on the "Nursing Home Quality Initiative" website (<https://aging.ohio.gov/nursinghomequalityimprovement>).

(2) ODA shall deny a proposed project if the entity in paragraph (A)(1) of this rule does not submit a complete application.

(3) ODA, in consultation with the state long-term care ombudsman, shall review a proposed project, then decide whether to approve or deny the project.

(B) Rescission: If a quality-improvement project no longer meets the requirements in rule 173-60-02 of the Administrative Code, ODA shall remove it from the "Nursing Home Quality Initiative" website.
