

Ohio Administrative Code Rule 311-5-03 Notice of special meetings.

Effective: September 25, 2014

(A) All emergency meetings of the commission are public meetings open to the public at all times, except as provided by law. However, notice of an emergency meeting shall not be required to be given twenty-four hours before the emergency meeting.

(B) The commission shall post notices of emergency meetings on its website, if available.

(C) The members of the commission calling the emergency meeting shall immediately give oral notification or written notification, or both, as the person or persons giving such notification determine, of the date, time, place and purpose of such emergency meeting to such person and representatives of the news media who have requested such advance notification.

(D) The president of the commission shall maintain a list of all persons and representatives of the news media who have requested notice of the commissions emergency meetings pursuant to this rule.
