

Ohio Administrative Code Rule 3301-11-08 Transfer of scholarship.

Effective: June 15, 2023

(A) Scholarships awarded pursuant to this program may be transferred to another chartered nonpublic school listed pursuant to rule 3301-11-11 of the Administrative Code. The applicant and the chartered nonpublic school accepting the transferred student shall notify the department in the manner prescribed by the department as required by rule 3301-11-05 of the Administrative Code. The applicant may designate in writing that the chartered nonpublic school enrolling the student notify the department on behalf of the applicant. Scholarships are not transferable to any other student.

(B) In the case where a child transfers during the course of the school year to another chartered nonpublic school, the department shall prorate the amounts paid to each school based on the period of attendance at each school relative to the minimum number of hours each school is open for instruction with pupils in attendance, as described in section 3313.48 of the Revised Code.
