

Ohio Administrative Code

Rule 3301-44-06 Requirements to earn a high school diploma.

Effective: August 26, 2022

(A) A high school diploma may be awarded under this chapter to a participant who:

(1) Completes all course hours included in the annually approved provider application and participant success plan;

(2) Successfully completes all competency-based program of study requirements as determined by the provider;

(3) Earns a passing score on the nationally recognized job skills assessment selected by the state board of education pursuant to division (G) of section 3301.0712 of the Revised Code; and

(4) Satisfies the industry-recognized credential requirement by meeting one of the following:

(a) Earning one or more industry-recognized credentials that total twelve points in a single career field in accordance with the point values established by the department pursuant to section 3313.6113 of the Revised Code and available at www.education.ohio.gov;

(b) Earning an industry-recognized credential aligned to a technical education program provided by an Ohio technical center; or

(c) Earning an industry-recognized credential aligned to a college credit-bearing course or program provided by a community college, state community college, or technical college.
