

Ohio Administrative Code

Rule 3301-44-08 Contracting educational services.

Effective: August 26, 2022

(A) Providers may contract services provided under this chapter to appropriate third-party entities.

(B) Notwithstanding paragraph (A) of this rule, providers are responsible for:

(1) Accurate reporting of performance and enrollment information; and

(2) Administering policies and procedures for the program in accordance with this chapter.

(C) Contractors may consult directly with the department as it pertains to:

(1) Technical support; and

(2) Application support.
