

Ohio Administrative Code

Rule 3333-1-65.11 College credit plus summer term eligibility.

Effective: May 10, 2021

A student that is scheduled or anticipated to graduate from high school may not participate in the college credit plus program for any term that begins after the student's scheduled or anticipated graduation date or any course offered during a summer term at an institution of higher education that begins during the student's last quarter of high school. The secondary school enrolling in the fall a student that participated in college credit plus during a summer term shall include on the student's high school transcript for that school year the college credit the student earned during the summer.
