Ohio Administrative Code
Rule 3333-1-65.9 JVSD allocation.
Effective: May 10, 2021

(A) A city, local, and exempted village district, community school, STEM school, or joint vocational school district (JVSD) must report each student who enrolls in college credit plus, along with other information required on that students enrollment, into the Ohio department of educations education management information system (EMIS).

(B) When a student is enrolled simultaneously in a JVSD and another secondary entity, and the student enrolls in a course governed by college credit plus, the entity that applies the college credit plus course credit toward the students high school graduation requirements or career technical education program of study shall report the students enrollment in the college credit plus course.

(C) The department shall deduct the payment to the college from the entity who reports the college credit plus course enrollment and credit.
