

Ohio Administrative Code Rule 3335-21-01 General provisions.

Effective: August 3, 2012

(A) Authority; repeal of previous rules. This chapter, governing traffic and parking upon the streets, roadways, property and grounds of the university, are enacted pursuant to authority vested in the board of trustees by Chapters 3335. and 3345. of the Revised Code. All previous rules of the board pertaining to traffic and parking are hereby repealed.

(B) Application of rules; incorporation of state law. This chapter constitute a dual system of enforcement of traffic laws and rules. They are enforceable against faculty, staff, employees, students and agents of the university, as well as visitors to the university. Incorporated by reference into these regulations are all state laws, when applicable, which are enforceable against any person, including the above specified persons, in any court of competent jurisdiction, pursuant to the authority conferred upon the board of trustees by Chapters 3335. and 3345. of the Revised Code. The authority granted to and the obligations of the university in this chapter may be exercised and performed by third parties or agents (including but not limited to the parking operator within its authority under the concession agreement) contracted on behalf of the university to perform such obligations, to the extent of the authority granted by the university under such contract.

(C) Certification and publication of rules. The secretary of the board of trustees shall certify the passage of these rules and cause the same to be published for public distribution in a manner reasonably designed to come to the attention of, and be made available to all faculty, staff, employees, students, and visitors.

(D) Separability. If any part of a rule in this chapter is, for any reason, held to be invalid or unenforceable, such decision shall not affect the validity of any other rule or any other part of a rule not specifically held to be invalid or unenforceable.
