(F) Parking in alleys. No person shall park a vehicle within an alley in such a manner or under such conditions as to leave available less than ten feet of the width of the alley for the free movement of vehicular traffic, and no person shall stop, stand or park a vehicle within an alley in such a position as to block the driveway entrance to any abutting property.

(G) Overnight parking. No person shall park a vehicle on a street or roadway between the hours of three a.m. and five a.m. of any day without a proper permit, except authorized emergency and public safety vehicles and vehicles assigned disability parking spaces.

(H) Parking for sale or service. No person shall park a vehicle upon a street or roadway for the principal purpose of:

(1) Displaying such vehicle for sale; or

(2) Washing, greasing or repairing such vehicle, except repairs necessitated by an emergency.

(I) Parking on narrow streets or roadways.

(1) The university is hereby authorized to erect signs prohibiting parking upon a street or roadway when the width of the street or roadway does not exceed twenty feet, or upon one side of a street or roadway, as indicated by such signs, when the width of the street or roadway does not exceed thirty feet.

(2) When official signs prohibiting parking are erected upon streets or roadways, no person shall park a vehicle upon any such street or roadway in violation of any such sign.

(J) Standing or parking on one-way streets or roadways.

(1) The university is hereby authorized to erect signs upon the left-hand side of a one-way street or roadway to prohibit the standing or parking of vehicles. When such signs are in place, no person shall stand or park a vehicle upon such left-hand side in violation of any such sign.

(2) If a roadway includes two or more separate streets and traffic is restricted to one direction upon any such street, no person shall stand or park a vehicle upon the left-hand side of such one-way street unless signs are erected to permit such standing or parking. The department is hereby authorized to determine when standing or parking may be permitted upon the left-hand side of any such one-way street and to erect signs giving notice thereof.

(K) Stopping, standing or parking in hazardous congested places.

(1) The university is hereby authorized to determine and designate by proper signs places not exceeding one hundred feet in length in which the stopping, standing or parking of vehicles would create an especially hazardous condition or would cause unusual delay to traffic.

(2) When official signs are erected at hazardous or congested places, as authorized, no person shall stop, stand or park a vehicle in any such designated place.

(L) Loading zones.

(1) Passenger curb loading zones. No person shall stop, stand or park a vehicle for any purpose or period of time, other than for the expeditious loading or unloading of passengers, in any place marked as a passenger curb loading zone during hours when the rules applicable to such zone are in effect, and then only for a period not to exceed three minutes unless otherwise marked.

(2) Freight loading zones. No person shall stop, stand or park a vehicle for any purpose or length of time, other than for the expeditious unloading and delivery or pickup and loading of materials, in any

place marked as a freight loading zone during hours when the rules applicable to such zone are in effect, and then only for a period not to exceed the posted time limit.

(M) Bus stops and taxicab stands.

(1) The operator of a bus shall not stand or park such vehicle upon a street or roadway at any place other than a bus stop so designated as provided in this chapter.

(2) The operator of a bus shall not stop such vehicle upon a street or roadway at any place for the purpose of loading or unloading passengers or their baggage other than at a bus stop, bus stand or passenger loading zone so designated as provided in this chapter, except in an emergency.

(3) The operator of a bus shall enter a bus stop, bus stand or passenger loading zone on a street or roadway in such a manner that the bus, when stopped to load or unload passengers or baggage, shall be in a position, with the right front wheel of such vehicle not farther than eighteen inches from the curb and the bus approximately parallel to the curb, so as not to unduly impede the movement of other vehicular traffic.

(4) The operator of a taxicab shall not stand or park such vehicle upon any street or roadway at any place other than in a taxicab stand so designated as provided in this chapter. This provision shall not prevent the operator of a taxicab from temporarily stopping in accordance with other stopping or parking rules at any place for the purpose of and while actually engaged in the expeditious loading and/or unloading of passengers.

(5) No person shall stop, stand or park a vehicle other than a bus in a bus stop or other than a taxicab in a taxicab stand when any such stop or stand has been officially designated and appropriately signed, except that the driver of a passenger vehicle may temporarily stop therein for the purpose of and while actually engaged in loading or unloading passengers when such stopping does not interfere with any bus or taxicab waiting to enter or about to enter such zone.

(N) Moving of vehicle. No person shall move a vehicle not lawfully under his or her control into any such prohibited area or away from a curb such distance as is prohibited by this chapter.
