

## Ohio Administrative Code Rule 3335-7-37 Governance rights.

Effective: November 10, 2020

---

Governance rights within a tenure-initiating unit(TIU) at the local level will be determined by the TIU and will require a voteof its voting faculty.

Research faculty will also be eligible to adviseand supervise graduate and postdoctoral students and to be a principalinvestigator on extramural research grant applications. Approval to advise andsupervise graduate students must be obtained from the graduate school as setforth in rule 3335-5-29 of the Administrative Code and detailed in the graduateschool handbook.

Research faculty will not be eligible to vote onthe promotion or tenure of tenure-track faculty or the promotion ofclinical/teaching/practice faculty.
