

Ohio Administrative Code Rule 3335-7-40 Oversight.

Effective: July 9, 2013

The office of academic affairs will submit an annual report to the university senate detailing the number, funding source, and TIU of research faculty appointments that have been made the previous year. Also included in the report will be the conditions of the appointments including fiscal arrangements. In unusual circumstances, salaries of research faculty may be paid on a temporary basis from funds other than those generated from tuition and subsidy.
