

## Ohio Administrative Code Rule 3335-79-02 Retention of sick leave.

Effective: June 1, 2011

---

An employee who transfers from another Ohio public agency to the university or who has prior service with an Ohio public agency shall upon employment with the university be credited with all sick leave not used or converted to a cash benefit, provided that such reemployment takes place within ten years of the date of which the employee was last employed in public service.
