

## Ohio Administrative Code

### Rule 3335-9-05 Admission of an undergraduate special student to regular standing.

Effective: [October 16, 2023](#)

---

An undergraduate special student who has completed two full years of college work and who desires to become a candidate for a degree may be transferred by the director of undergraduate admissions to the standing of a regular student by one of the following methods:

- (A) By meeting the entrance requirements of the college or school in which they desire to attain regular standing.
  - (B) By assuming an addition of thirty semester hours and sixty points to the requirements of their curriculum.
  - (C) By such other adjustments as may be approved by the undergraduate admissions office and the executive committee of the college concerned.
-
