

## Ohio Administrative Code Rule 3335-9-10 Removal of entrance conditions.

Effective: May 23, 1999

---

Entrance conditions assessed against students at the time of admission or transfer to a college may be removed by the executive vice president and provost, when the dean of a college in which the conditioned student is registered has certified to the director of admissions that the deficiencies have been made up. The methods to be followed in making up entrance conditions shall have the joint approval of the director of admissions and the dean of the college concerned and, for undergraduate students, shall be in accordance with policies established by the council on academic affairs in consultation with the council on admission and registration. Removal of entrance conditions shall take precedence over the student's regular college schedule. If credits earned in the university are to be substituted for such deficiencies, the student must earn a grade of "A," "A-," "B+," "B," "B-," "C+," "C," "C-," "D+" or "D" in courses approved to remove admission conditions.
