### Rule 3335-9-14 Time of registration and payment of fees; penalties.

Effective: July 13, 2012

---

(A) Payment of fees is required of all students each semester, summer term, or session, by the close of business on the date established by the executive vice president and provost in cooperation with the appropriate offices, and published by the office of the university registrar. This fee payment deadline will apply to the postmark date for fees paid by mail and to the date of receipt for fees paid in person. Failure to meet this requirement will result in a penalty assessment, unless excused by the university registrar or designee.

(B) Students whose fees are paid under contract with a third party will be held responsible for payment if the third party defaults or the contract is terminated.

(C) The university registrar, as the designee of the executive vice president and provost, reserves the right to refuse registration if fees are not paid by the date on which they are due.
