

Ohio Administrative Code

Rule 3335-9-28 Reinstatement after academic dismissal.

Effective: August 5, 1996

Any student who may be reinstated by a college or school following academic dismissal shall be subject to such special requirements as may be determined appropriate by the dean of the college or director of the school. If the performance record of any reinstated student does not meet the conditions of probation specified at the time of reinstatement, then the college or school in which the student is registered shall determine whether the student is to be dismissed or continued on probation.
