

Ohio Administrative Code Rule 3339-18-04 Parking violations.

Effective: August 19, 2022

An individual registering a vehicle is responsible for all citations issued to that vehicle regardless of ownership. Individuals who lend their vehicles to others are responsible for any parking fines incurred.

(A) Parking without a permit: fine seventy-five dollars

Parking in permit-required areas of campus without registering the vehicle to a Miami parking permit. A permit is required to park in university parking areas (see rule 3339-18-01 of the Administrative Code).

Vehicles that are not registered to a parking permit may also be charged an administrative fee of two dollars and fifty cents to look up ownership of the vehicle in order to collect fines.

Unregistered vehicle is a permit violation.

(B) Plate not facing drive aisle: fine twenty dollars

Improperly displaying a university parking permit. Once the vehicle's license plate is registered through parking services, the license plate is the parking permit and must be displayed so as to be visible in the drive lane in the parking lots.

Plate not facing a drive aisle is a permit violation.

(C) Restricted area: fine seventy-five dollars

Parking in areas beyond the privileges granted by your permit or parking in violation of posted event parking restrictions. Between seven a.m. and six p.m. on weekdays, vehicles must park only in the areas specified by their permit.

University events sometimes require the exclusive use of parking areas. These areas will be posted at least seventy-two hours in advance of the event. Cars parked in these areas after the time specified will be cited. All cars must be removed from all sections of the Millett parking lot on the dates of all home football games.

Unless otherwise posted, pay-to-park fees must be paid when parking between the hours of seven a.m. and ten p.m., seven days a week, except when the university is officially closed. This applies only to pay-to-park areas; all other parking and permit restrictions are in effect at all times.

Additional time may not be purchased for Miami pay-to-park areas. The driver must move the

vehicle to another zone after the time purchased has expired or risk citation.

University parking facilities that require a fee for use by the hour or by the event require payment at all times. Failure to pay for time parked in a facility that requires a fee is a violation.
