

Ohio Administrative Code

Rule 3342-4-04 University policy regarding alcoholic beverages.

Effective: September 26, 2018

Purpose. The use, possession, or distribution of alcoholic beverages, including, but not limited to, beer and wine, on the property of the university must be in accord with state and local laws.

Further limitations on the time, place or manner of use, possession, or distribution will be determined by the vice president for student affairs or designee.
