

Ohio Administrative Code

Rule 3342-7-05 University policy regarding allocation and use of student activities fees.

Effective: [March 1, 2015](#)

Policy statement. The board will designate a portion of the general fee as the student activities fee. The administration of these funds shall be a responsibility of the vice president for enrollment management and student life, or designee, who shall insure that maximum student involvement in the allocation and use of the fees is achieved. Regulations pertaining to the allocation and use of the student activities fee will be reviewed annually. It is the responsibility of the vice president for enrollment management and student life to insure that applicable state laws are incorporated in these regulations.
