

## Ohio Administrative Code

### Rule 3344-11-10 Grants and contracts for research, training, and other purposes.

Effective: April 20, 2014

---

All proposals to outside agencies for financial support in excess of five hundred dollars for research, training, institutes, seminars, facilities, equipment, or other university activities or purchases shall be submitted to the vice president for research, according to the policies and procedures that the vice president for research shall establish.
