### Rule 3344-14-02 Name.

Effective: August 2, 2015

---

(A) This organization shall be known as the faculty of the college of graduate studies of Cleveland state university.

(B) Graduate studies shall be defined as those academic and professional curricula, which require student achievement above the baccalaureate level in any field leading to a master's, specialist's, or doctoral degree, except for the degrees of J.D. and L.L.M. In addition, graduate level certificates, licensure programs or other post baccalaureate programs may apply to the graduate council for inclusion.
