

## Ohio Administrative Code Rule 3344-7-02 Basic policy.

Effective: June 2, 2014

---

(A) This rule applies to all uses and users of university e-mail. Any user of university e-mail shall comply with all provisions of this rule and also with all other applicable rules of the Administrative Code, university policies, regulations, and procedures, and with applicable local, state, and federal laws and regulations.

(B) Users of university e-mail whose actions violate this rule or any other university policy or regulation may be subject to revocation or limitation of e-mail privileges as well as other disciplinary action or may be referred to the appropriate law enforcement agency and/or regulatory authorities.
