

## Ohio Administrative Code

### Rule 3344-90-02 Use of space for non-academic purposes.

Effective: July 7, 2014

---

University space not required for academic purposes, may be used in a manner that does not compete with local commercial facilities and which provides for reimbursement to the university for all direct costs of the use, as well as any other appropriate fees. The president, or his designee, shall approve facilities use procedures that describe how facilities are requested, reserved and approved for non-academic purposes, including by non-CSU community members.
