

## Ohio Administrative Code

### Rule 3357:15-13-28 Catalog-in-force and change of major.

Effective: September 5, 2015

---

Upon initial enrollment to the college, the student will be placed in the current catalog-in-force of a student's intended major. Requirements to earn a degree or certificate are based initially on the catalog-in-force. However, the college reserves the right to change course offerings and academic requirements without notice. These changes should not be to the disadvantage of the students during their enrollment.
