

Ohio Administrative Code

Rule 3357:15-13-37 Electronic recording of classroom activities.

Effective: June 7, 2021

The policy governs the electronic recording made by students, faculty, and staff in a classroom or other official academic setting. Electronic recording is not permitted unless explicit permission is granted and other students are notified. Students, except those who have an accommodation letter from disability support services (DSS), who would like to record a classroom lecture or activity or teaching sessions must obtain permission from the instructor prior to the recording. The instructor may choose to restrict or prohibit the electronic recordings of lectures and activities or teaching sessions except for those students who meet the eligibility criteria from DSS.
