

Ohio Administrative Code

Rule 3357:15-13-44 "Teach out" statement for inactivated educational programs.

Effective: June 3, 2019

In the event that Stark state college should decideto inactivate a degree or certificate, the college will make every effort toteach out currently enrolled students to a maximum of two years.The college will inform the community that no additional students will beaccepted into the program. Students who have not completed their programs willbe advised by the department chair or program coordinator regarding suitableoptions including transfer to comparable programs. The college will offer thecourses required for graduation to continuously enrolled program students atthe time of inactivation until those students have been provided an opportunityto complete their degrees.
