

Ohio Administrative Code

Rule 3357:15-14-04 Employee responsibilities and duties.

Effective: June 5, 2023

In order to maintain a productive, service-oriented environment within the college community, all employees are expected to meet established standards of performance and conduct. It is expected that all employees will accept appropriate responsibility assigned to them and cooperate through the timely completion of assigned work or duties as outlined within the applicable job description. Supervisors have the right to direct, oversee, and evaluate employees in support of effective and efficient department/office/division operations. Actions that constitute breaches or flagrant violations of the standards defined the Stark state college policies and procedures manual may result in disciplinary action and/or termination of employment.
