

Ohio Administrative Code

Rule 3357:15-16-04 Accountant of restricted funds.

Effective: June 5, 2023

The college receives funds from various sources who place restrictions on the timing and use of those funds. Recordkeeping and reporting procedures must be established to ensure that all such funds are utilized in compliance with the funding source requirements. The comptroller is responsible for assigning this responsibility to a designated individual ("accountant").
