

Ohio Administrative Code Rule 3357:15-16-13 Alcohol policy.

Effective: June 7, 2021

The use of alcoholic beverages is prohibited on college premises unless an exception is requested and written approval is granted from the provost or vice president of the requesting division and the vice president of business, finance, and information technology or designee. There should be a primary purpose for the gathering other than the availability of alcohol. Alcohol should not be used as an inducement to participate in a campus event. All consumption, possession and/or distribution of alcoholic beverages will be consistent with the laws and regulations of the state of Ohio.
