

Ohio Administrative Code

Rule 3357:15-17-11 College state of emergency pertaining to students.

Effective: June 6, 2022

A college state of emergency is in effect when the college's president, or person designated, acts to declare such a state in the event of an unexpected catastrophic event, such as a natural or human made disaster or the outbreak of a pandemic illness, requiring immediate attention and remedial action and may involve injury, loss of life, damage to property, or catastrophic interference with normal activities. A catastrophic disaster is one which would require closing the college for six or more business days; short-term closings of five business days or less will not be considered catastrophic. The college recognizes the need to return to normal operations as quickly as possible for students.
