

Ohio Administrative Code Rule 3358:5-13-17 Naming rights policy.

Effective: February 1, 2016

- (A) College facilities, programs and initiatives may be named to recognize significant gifts to Clark state foundation for the benefit of the college.
- (B) The vice president of external affairs shall maintain a listing of available naming opportunities with recommended gift levels.
- (C) Naming opportunities must be approved by the college president in advance of offering the recognition to a prospective donor.
- (D) A named facility will retain the use of the name as long as the area remains in use. If the facility is demolished or repurposed, an alternative means of recognizing the donor will be established.
- (E) The board of trustees retains the right to revoke a naming recognition in the event that the continued use of the name may compromise the public trust or be contrary to the best interests of the college.
