

Ohio Administrative Code Rule 3358:5-9-13 Scholarship program.

Effective: [March 27, 2015](#)

(A) Clark state community college scholarships:

(1) The college may fund scholarships to students to enhance access, to attract academically talented individuals, to encourage diversity, to meet matching fund requirements for grants, or for other appropriate purposes.

(2) All college-funded scholarships must be submitted for funding consideration in the annual budgeting process.

(3) Scholarship awards criteria and processes must be approved in advance by the appropriate executive cabinet member and must comply with all equal opportunity guidelines.

(B) Clark state foundation scholarships:

(1) The foundation offers scholarships funded by contributions and grants from individuals, corporations, foundations and organizations.

(2) The foundation establishes criteria and processes for their scholarships based upon donor intent and foundation policies and procedures.

(C) Other scholarships:

Scholarships that are available from time to time through state funding are promoted through the admissions and financial aid offices.
