

Ohio Administrative Code Rule 3359-60-03.3 Repeating courses.

Effective: April 5, 2021

Undergraduate students may repeat a course twice. Undergraduate students may repeat a course more than twice with the permission of the dean of their degree-granting college or, if they are not yet admitted to a degree-granting college, by the dean of their intended degree-granting college or, if they have not yet declared a major, by the dean of the college offering the course. All course repeats are subject to the following conditions:

- (A) To receive a new grade of "A" through "F" a student may repeat a course in which the previously received grade was a "C-", "D+", "D", "D-", "F", "CR", "NC", or "AUD."
- (B) To receive a new grade of "CR" or "NC", a student may repeat a course in which the previously received grade was a "NC." Registrations under the "CR/NC" option are subject to the restrictions in the "CR/NC" policy.
- (C) To receive a new grade of "A" through "F", or "CR" or "NC," a student may repeat a course in which the previously received grade was an "AUD." Registrations under the "CR/NC" option are subject to the restrictions in the "CR/NC" policy.
- (D) A course in which the previously received grade was "A" through "F", or "CR" or "NC", may be repeated for a grade of "AUD"; however, the grade of "AUD" does not replace the previously received grade.
- (E) With the dean's permission, a student may substitute another course if the previous course is no longer offered.
- (F) Grades for all attempts at a course will appear on the student's official academic record.
- (G) Only the grade for the last attempt at a course at the university of Akron will be used in calculating the grade point average. Attempts prior to the last attempt cannot be used to satisfy

curricular requirements.

(H) A student who wishes to receive credit or satisfy a prerequisite by repeating a course at another institution must satisfy the conditions and receive the permissions specified for transient students in paragraph (B) of rule 3359-60-03.1 of the Administrative Code. A course repeated at another institution for transient credit will count toward the two repeats allowed without the dean's permission. A course repeated at another institution will not be used in the calculation of the grade point average.

(I) Regardless of where a course is taken, credit for the course or its equivalent will apply only once toward meeting degree requirements.
