

Ohio Administrative Code

Rule 3361:30-28-04 Retirement: emeritus status.

Effective: April 1, 2019

(A) Emeritus status of a faculty member, librarian or other academic officer of the university is defined as a non-salaried, non-official position and academic title of honor, usually corresponding to that held in the last period of active academic service.

(B) Full professors, associate professors, assistant professors, associate librarians, associate senior librarians, senior librarians, deans and other academic administrative officers as determined by the appropriate provost and the president shall be eligible for appointment to emeritus status. Appointment to emeritus status shall be made through the same channels as regular appointments to active status.
