

Ohio Administrative Code

Rule 3361:50-83-15 College of medicine: requirements for graduation.

Effective: December 16, 1999

Candidates for the degree of "Doctor of Medicine" shall:

(A) Satisfactorily complete the medical curriculum as approved by the college of medicine dean and faculty council, as described in the college's academic performance standards, and guidelines for promotion boards, as periodically amended and updated.

(B) Discharge all financial obligations to the university prior to commencement.
