

Ohio Administrative Code

Rule 3361:70-5-01 Parking: rules and regulations.

Effective: October 15, 2008

(A) All changes and additions to the parking rates, fine schedule and changes in violations shall be submitted by the vice president responsible for parking services to the president's budget council with final approval/disapproval by the president of the university.

(B) There shall be an appeals process for violations.

(C) Changes in regulations shall be announced in advance of the effective date.

(D) Regulations will be available on parking services website.

(E) The vice president responsible for parking services will implement policy statements and other matters related to the administration of parking.
