

Ohio Administrative Code

Rule 3361:70-7-11 Residence halls: general university policies.

Effective: June 15, 2012

(A) Eligibility.

Unless otherwise excused, all freshman full-time, unmarried, undergraduate students on the uptown campus, who do not live with their parents or guardians, are required to live in university residence halls as long as space is available. Co-op students who have signed housing agreements are required to live in the residence halls during academic semesters; they are not required to do so during work semesters.

Any requests for exceptions to the above policies should be made through the office of housing and food services.

(B) Agreement and lease.

Students may make reservations in university residence halls only after all admission requirements have been met. Students shall sign residence and dining hall agreements or apartment leases which must be returned with a security and damage deposit within the designated time period in order to reserve a space or apartment in a university residence hall or apartment facility. The terms and conditions of the residence hall agreement or the apartment lease govern residence in the university's residence halls and apartments.

(C) All full-time students and full-time university employees may live in facilities governed by an apartment lease. The president may establish such other policies as may be necessary to regulate eligibility for rentals in apartment facilities.

(D) The president shall promulgate reasonable and necessary regulations to govern such matters as residence hall security and damage deposits, refunds, conduct and behavior, and care of facilities. The president shall have authority to enter into contracts and leases with students and employees of the university for student space and apartment rentals in the residence halls.

(E) The president may delegate the authority conferred in paragraph (C) and paragraph (D) of this rule.
