

Ohio Administrative Code

Rule 3701-18-10 Physical facilities requirements for training and competency evaluation programs.

Effective: November 24, 2022

The physical facilities that an approved TCEP uses for the classroom instruction, including laboratory simulation, and the clinical experience portions of the program shall meet the following requirements:

- (A) Provide adequate space to accommodate all trainees.
 - (B) Be clean and safe and shall meet applicable state and local building and fire code requirements.
 - (C) Have adequate lighting and comfortable temperatures.
 - (D) Be equipped adequately with audio-visual equipment and other teaching aids appropriate for a TCEP.
 - (E) Have, in good working order, equipment for simulating resident care as listed in the appendix to this rule.
-
