

Ohio Administrative Code Rule 3701-22-06 Administration.

Effective: September 14, 2024

Each hospital, other than a critical access hospital or a rural emergency hospital, is to provide effective administration responsible for the following areas:

- (A) Compliance with federal, state, and local laws, in accordance with 42 CFR 482.11, including cooperation with any public health investigation;
 - (B) Governing body, in accordance with 42 CFR 482.12;
 - (C) Patient's rights, in accordance with 42 CFR 482.13;
 - (D) Emergency preparedness, in accordance with 42 CFR 482.15.
-
