

## Ohio Administrative Code Rule 3701-22-08 Optional hospital functions.

Effective: September 14, 2024

---

Each hospital, other than a critical access hospital or rural emergency hospital may provide for any or all the following:

- (A) Surgical services, in accordance with 42 CFR 482.51;
  - (B) Anesthesia services, in accordance with 42 CFR 482.52;
  - (C) Nuclear medicine services, in accordance with 42 CFR 482.53;
  - (D) Outpatient services, in accordance with 42 CFR 482.54;
  - (E) Emergency services, in accordance with 42 CFR 482.55;
  - (F) Rehabilitation services, in accordance with 42 CFR 482.56;
  - (G) Respiratory services, in accordance with 42 CFR 482.57; or
  - (H) Special requirements for hospital providers of long-term care services ("swing-beds"), in accordance with 42 CFR 482.58.
-
