

## Ohio Administrative Code Rule 3701-42-02 Food delivery system.

Effective: April 17, 2022

---

(A) For purposes of providing authorized foods to participants, the director may operate any FNS approved food delivery system considered appropriate. The director currently implements a retail food delivery system as follows:

- (1) Contracts with vendors to provide authorized foods in exchange for benefits on the WIC nutrition card; and
- (2) Contracts with pharmacy vendors to provide prescribed infant formula in exchange for benefits on the WIC nutrition card.

(B) The director may also contract with a distribution center or manufacturer to provide prescribed infant formula.
