

Ohio Administrative Code

Rule 3701-43-06 Dentists.

Effective: February 13, 2012

(A) To be approved for general dental services, a dentist must be a graduate of an approved dental school and licensed as such by the state of Ohio or in the state in which the dentist's practice is located;

(B) A dental specialist shall:

(1) Meet the requirement in paragraph (A) of this rule;

(2) Submit verification of having had a minimum of two years of graduate training in the specialty;
and

(3) Document his or her primary area of practice.

(C) Requests for dental services may be made by a physician approved under rule 3701-43-03 of the Administrative Code or an advanced practice nurse approved under rule 3701-43-07 of the Administrative Code.
