

Ohio Administrative Code Rule 3701-56-03 Requirements for contract.

Effective: July 15, 2022

(A) As used in this rule:

(1) "Full-time practice" means working a minimum of forty hours per week for a minimum of forty-five weeks each service year. Practice-related administrative activities and/or teaching activities may not exceed eight hours per week.

(2) "Part-time practice" means working a minimum of twenty hours and a maximum of thirty-nine hours per week for a minimum of forty-five weeks each service year. Practice-related administrative activities and/or teaching activities may not exceed four hours per week.

(3) "Provide dental services without regard to a patient's ability to pay" means that persons with incomes below one hundred per cent of the federal poverty guidelines may not be denied dental services by the dental practice site due to the inability to pay for such services, assuring that any fees or payments required by the practice site for such services will be reduced or waived.

(4) "Teaching activities" means providing clinical education to dental health professions students and dental residents regarding the normal course of practice and expertise at the dental practice site(s) specified in the contract.

In order to qualify as teaching, the dentist must be providing clinical education and supervision of students or clinicians in the approved dental practice site(s) as part of an accredited clinical training program.

All teaching must be conducted at the dental practice site(s) specified in the dentist's contract. If the supervising dentist provides dental services while the student or clinician observes, the activity should be treated as direct clinical care rather than teaching.

(5) "Teledentistry" means the delivery of dental services through the use of synchronous, real-time

communication and the delivery of services of a dental hygienist or expanded function dental auxiliary pursuant to a dentist's authorization as defined in section 4715.43 of the Revised Code.

(3) Agreement by the department as provided in section 3702.91 of the Revised Code to repay, so long as the dentist performs the service obligation to which he or she has agreed under paragraph (C)(1) of this rule, all or part of the dentist's educational expenses as defined in paragraph (H) of rule 3701-56-01 of the Administrative Code.

(a) Three times the amount the department has agreed to repay under paragraph (C)(3) of this rule; or

(b) If funds from another source are used to repay a portion of the dentist's loan, damages owed if the dentist fails to complete the obligation will be the damages specified by the other source of funds, or as outlined in paragraph (C)(4)(a) of this rule, whichever is greater.

(5) If the department assumes the dentist's duty to pay a portion of the loan, the contract shall set forth the amount of each payment.
