

Ohio Administrative Code Rule 3701:1-40-01 Definitions.

Effective: October 4, 2010

Terms defined in rule 3701:1-38-01 of the Administrative Code shall have the same meaning when used in Chapter 3701:1-40 of the Administrative Code except terms redefined within a given rule for use within that rule only, and additionally, as used in Chapter 3701:1-40 of the Administrative Code:

(A) "Bureau assessment report" means a document prepared by the department that briefly provides evidence and analysis of whether there is an adverse radiological impact on human health or the human environment or whether there is no significant impact.

(B) "Categorical exclusion" means a category of actions which do not individually or cumulatively have a significant effect on human health or the human environment.

(C) "Environmental report" means a document submitted to the department by an applicant for a license, renewal, or amendment thereof, that aids the department in completing the bureau assessment report.
