

## Ohio Administrative Code

### Rule 3701:1-49-17 Tritium neutron generator target source.

Effective: October 8, 2007

---

(A) Use of a tritium neutron generator target source, containing quantities not exceeding one thousand one hundred ten gigabecquerels (thirty curies) and in a well with a surface casing to protect fresh water aquifers, is subject to the requirements of this chapter except rules 3701:1-49-04, 3701:1-49-10, and 3701:1-49-26 of the Administrative Code.

(B) Use of a tritium neutron generator target source, containing quantities exceeding one thousand one hundred ten gigabecquerels (thirty curies) or in a well without a surface casing to protect fresh water aquifers, is subject to the requirements of this chapter except rule 3701:1-49-10 of the Administrative Code.
