

Ohio Administrative Code

Rule 3701:1-56-13 Completeness and accuracy of information.

Effective: September 1, 2012

(A) Information provided to the director by an applicant for a license or by a licensee or information required by statute or by the department's rules, orders, or license conditions to be maintained by the applicant or the licensee shall be complete and accurate in all material respects.

(B) Each applicant or licensee shall notify the director of information identified by the applicant or licensee as having for the regulated activity a significant implication for public health and safety or common defense and security. An applicant or licensee violates this paragraph only if the applicant or licensee fails to notify the director of information that the applicant or licensee has identified as having a significant implication for public health and safety or common defense and security. Notification shall be provided to the director within two working days of identifying the information. This requirement is not applicable to information which is already required to be provided to the director by other reporting or updating requirements.
